Dear Poolville Elementary School Families,

It has become necessary to notify all Poolville Elementary School families that a third grade student has tested positive for COVID-19. Due to privacy laws, we will not be releasing the name of the individual nor further details that may identify the person.

Our contact tracing investigation has shown that twenty incremental students and six faculty members were in close contact with the individual at the time the illness began. These twenty-seven individuals will remain off campus, in quarantine, for the remainder of the required fourteen days. A fourteen day virtual learning solution will be initiated for every adversely impacted student.

We are continuing sanitizing practices campus wide, in order to keep our students and staff as safe as possible. The appropriate areas are undergoing an intensive cleaning and sanitation effort.

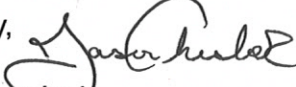

While we believe there is no reason to be concerned, we ask that you watch for symptoms of COVID-19. Any of the following symptoms should be considered:

- Loss of taste or smell;
- Temperature of 100.4 or higher when taken by mouth;
- Sore throat;
- New, uncontrolled cough that causes difficulty breathing;
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with fever.

If you or any member of Poolville Elementary School community begins to experience any of these symptoms in a way that is not typical, please contact your physician. We encourage anyone in the PISD community who is lab-confirmed to have COVID-19 to please notify our school nurse as soon as possible.

This communication will spark questions. Please note, Nurse Johnson, Mr. Kirby, and I are here to assist you with these questions. Together we can and will accomplish amazing things for our students, teachers and community.

Please join us in sending our best wellness wishes to anyone impacted by COVID-19. If you have any further questions or concerns, please reach out to our school.

Sincerely,   
 Jason Cheslock  
 Principal  
 Poolville Elementary School

  
 Jeff Kirby  
 Superintendent
